For every 10-minute period past the 10-minute grace period, a \$5 late fee will be assessed.

Financial aid discounts

The Board of Greenville Classical Academy does not want a lack of finances to prevent a student (who would otherwise be accepted) from enrolling. GCA uses the services of Independent School Management's Financial Aid for School Tuition (FAST) to assist in assessing a family's eligibility for financial assistance. The cost for this service is \$43. Priority will be given to those families who complete the required online forms by March 31. GCA's Financial Aid Committee will determine eligibility for financial aid discounts.

Withdrawal Policy

If extenuating circumstances demand it, parents will need to complete the withdrawal process to formally withdraw their child from Greenville Classical Academy by contacting the school, completing and submitting the "Greenville Classical Academy Withdrawal Form", attending an Exit Interview, returning all school-owned materials, and paying all charges through the calendar month in which the withdrawal is made. Records can be transferred to another school upon completion of the withdrawal process.

Non-discrimination Policy

GCA admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs, financial assistance and loan programs, athletic programs, and other school administered programs and activities.
