## FACULTY APPLICATION

### PART B

## SUPPLEMENTAL INFORMATION

### WRITTEN RESPONSES

Christian and Classical education is a demanding project which requires enormous intellectual energy from its participants. Not only are we, as faculty, working hard to provide challenging and appropriate coursework for our students, but we are also engaged to repair detriments in our own education by constantly incorporating classical principles and theological ideas into our own thinking. These essays help us glimpse each candidate's aspirations toward this kind of experience. Please give thoughtful written responses to each of the following:

Describe what it means to be a Christian and substantiate your faith in Jesus Christ.

1. Express your thoughts on discipline.
2. Express your philosophy of education (include your philosophy on foreign languages and learning to read.)
3. Express why you wish to teach at Greenville Classical Academy.
4. Read and express your thoughts on the book *Recovering the Lost Tools of Learning* by Douglas Wilson.
5. List the books you have read in the past 12 months (please include title and author). Write a brief report on the one that had the greatest effect on you and why.
6. What are your own professional strengths? Weaknesses?

Please have an official copy of transcripts from your post-high school education sent to us at the following address:
