

GREENVILLE CLASSICAL ACADEMY

2016-2017 School Profile

Greenville Classical Academy (GCA) is an independent, college prep, K-12 day school founded in 2004 using the classical, Christian educational model. We serve a suburban community with students from Greenville, Spartanburg, Pickens, and Laurens counties. In 2010, GCA transitioned its Upper School (7th-12th grades) to a University-Model® School and utilizes a college-style course schedule wherein 7th - 12th grade students' classes meet for one hour three days a week. Students then read, study and/or research teacher-directed assignments independently outside the classroom on Tuesday and Thursday.
