The fee for this service is \$40. Priority will be given to re-enrolling families who complete the required online forms by Dec. 11, and a portion of the funds will be set aside for new families. To apply for tuition assistance, visit <https://online.factsmgt.com/aid>. Reenrolling families who apply for assistance by Dec. 11 will receive an email offer from the committee by Dec. 16. Other applicants should receive an email offer approximately two weeks from submission.

*Applicable to full-time students.
